

My name is Laurie Flatt. My husband Steve and I have lived on Moose Lake since 2013. We chose Moose because of its beauty, upnorth feel and wide variety of lake activities. I love swimming in its crystal clear waters, hearing the sounds of kids tubing/skiing and watching my mother in law's joy in fishing. This lake has been the source of many family memories for us and our extended family.

I am a small business owner in Hartland running a Home Staging company for the past 16 years. My team and I have the privilege of working with client's to get the most out of their homes so they can move on to their next great adventure.

I have chosen to run for a position on the MLAA Board to be an advocate for Moose Lake and its residents. I am committed to:

- Protecting the natural beauty and quality of Moose Lake
- Promoting a sense of community and shared love of the lake between residents
- Providing thoughtful consideration of all members concerns and suggestions
- Producing clear and effective communication

Moose Lake is truly a gift and it would be my honor and privilege to represent it and all of you as a board member. Thank you for your consideration.
