

Bob Mikulec
Hasslinger Drive (mid- lake, gray house, white dock and pumphouse)

My wife, Jay, and I are enjoying our 11th Summer on the lake. We have two married daughters and three grandchildren.

Jay and I enjoy spending time on our dock and around the lake. On a daily basis, I paddle board with my dog and also swim from May through October.

I've worked for small and large companies in a variety of roles. I am currently employed by an energy efficiency company in business development.

My reason for extending my two year term with the MLAA is to continue to bring a balanced, common sense perspective. I enjoy boating, paddleboarding and swimming. I support the MLA's efforts to keep the lake from being choked by Milfoil and to promote fellowship. I work from my home office which overlooks the lake. I feel that overall this is a quiet lake with good law abiding people as residents. If re-elected, I will continue to represent the interests of the MLAA members.
